**PICKLE... 🍷 WHAT?!**

Pickleball!

It is one of the fastest growing sports in the country! And, it is surely catching on in Carolina Trace! Laurel Thicket needs to get in on the fun!

Tuesday, June 15 at 5:00 PM will be the first of many Tuesday night Pickleball events, provided we get enough interest.

Tuesday nights are also Happy Hour at the pool, so if you are interested in or curious about Pickleball, come on down to the Laurel Thicket Recreation Area!

You can, observe, learn and/or play!

Some Carolina Trace residents from other POAs, who run a Pickleball league, which plays in the mornings, will be in attendance to help get this thing rolling!
